New Premium Services and Amenities Included in Rate Debut in 2011 at Luxe Marquis Los Cabos

Los Cabos, Mexico (November 23, 2010) -- Starting in early 2011, the Marquis Los Cabos resort will roll out new premium services and amenities all included in the rate. Part of a new "Marquis Magic" service, the program will provide greater luxury and value for the Casitas, which redefine a house on the beach, and Marquis club floor suites. Special service will begin with VIP Check-In and a ten minute neck massage. Guests will find signature guacamole and alcoholic and non-alcoholic beer in their suites upon arrival, and fresh flowers daily. Butlers will offer to freshen up and iron clothes on arrival, as well as provide scented fresh towels and ice buckets in their private pools. Special for families, Marquis will provide one evening of complimentary babysitting.

These services are in addition to the resort's iconic silent butler in all suites which serves guests a complimentary Marquis continental breakfast daily via each suite's private alcove.

"Not content to rest on the laurels of our awards and high guest return rate, we wanted to raise the bar on our already high service levels so we will be launching this new service program in 2011," said Ella Messerli, General Manager. "We will be announcing other exciting service additions throughout the year," she continued.

Nightly rates start at \$490 for a Junior Suite and \$1,030 for a Private Pool Casita in 2011. Tax and service charge is additional. For more information or reservations, please visit www.marquisloscabos.com or call 1-877-238-9399.
