MARQUIS LOS CABOS

Surrounded by Los Cabos' most renowned golf courses and a member of Leading Hotels of the World, Ltd., the **Marquis Los Cabos** is a destination resort on the southern-most tip of the Baja California Peninsula in Mexico.

The resort is conveniently located just 18 miles from the airport and honors its local environment by planting indigenous plants, including many kinds of cacti and over 100 palm trees, on the grounds. The open-air lobby features a dramatic arch with an unobstructed view of the ocean, in recognition of the trademark rock arch which graces the tip of Los Cabos. Additionally, a dramatic 36-foot waterfall flows through the lobby and drops over the Dos Mares pool restaurant and into the main swimming pool.
