Marquis Los Cabos Features Luxe Spa and Fitness Center with Ocean Views

Los Cabos, Mexico – One of Baja’s largest spa and fitness centers and the only member of *Leading Spas of the World* in Los Cabos, the Spa Marquis offers everything from luxury treatments using local herbs to a full fitness center with floor-to-ceiling windows. The 15,000 square-foot ocean-view Spa Marquis at Marquis Los Cabos Beach, Golf, Spa & Casitas Resort features ten treatment rooms, private dressing rooms, open-air Jacuzzis and steam baths. Cactus oils, agave, seasalt and seaweed from the Sea of Cortez are incorporated in the spa’s unique face and body treatments, and the fitness center boasts a complete line of Life Fitness Strength equipment.

Among the Spa Marquis signature treatments is the Quetzalcoatl Oxygenating Experience, derived from the Aztec water god that signifies rebirth and healed many skin affliction ailments. Based on ancient Mexican tradition, the treatment starts with a relaxing eucalyptus bath for the feet to harmonize health. An herbal tea is then presented which brings out the aromas and taste of medicinal plants. The treatment is followed by an exfoliation of mineral salts. Next, a derma-purification bath is given to treat skin that has been affected by impurities such as tobacco, smog and air conditioning. Finally, your body is covered with a hydrating milk of cucumber. This treatment helps purify and oxygenate your body, increases blood flow and leaves your skin glowing.

The revitalizing Marquis Energy Experience, which includes gentle exfoliation, chamomile bath, and rose-seed oil massage; Ayurvedani anti-cellulite treatment, based on India’s traditional ayurvedic medicine; thalassotherapy baths that purify, detox, and stimulate circulation; Mexican soaks in aromatic herbs-flower water to soothe tired muscles; and traditional Shiatsu and hot-stone massages are also available at Spa Marquis.
