MARQUIS LOS CABOS MAKES WAVES IN MEXICAN BEACH RESORT

Resort Highlights Water and All Senses

Los Cabos, Mexico – The 237-suite Marquis Los Cabos Beach, Golf, Spa & Casitas Resort features a dramatic 36-foot waterfall and over 40 pools; a chef with a two-star Michelin pedigree; a holistic spa, the only member of *Leading Spas of the World* in Los Cabos, and a major Latin American art collection. The resort is on the tip of Baja California, where the Sea of Cortes and the Pacific Ocean meet. It is near the 18-hole Cabo Real golf course, designed by Robert Trent Jones, Jr. Marquis Los Cabos delivers golf, spa, seclusion and top-notch service amid a picturesque setting.

Marquis Los Cabos is the latest addition to Hoteles Marquis. "Our sister hotel in Mexico City, Marquis Reforma, was the first hotel in the capital city to earn the coveted ISO award for service and enjoys the prestige of belonging to *Leading Hotels of the World*," said Ella Messerli, general manager. "We're proud to continue this outstanding tradition of service and hospitality," she continued.

Privacy and romance rule the day as a complimentary Marquis breakfast complete with coffee or tea, bread-basket and fresh fruit is delivered daily to each room via a small latticed alcove adjacent to the guestroom door. The 15,000 square foot spa, one of the largest in Los Cabos, features holistic spa treatments that use indigenous ingredients, such as cactus oils, sea salt and agave. Executive Chef Thierry Dufour, who has a pedigree of a two-star Michelin restaurant in France, presides over three restaurants including the 20-seat gourmet *Canto del Mar*, featuring French cuisine.

Owned and operated by Hoteles Marquis, the property boasts 203 Junior suites and 28 Casitas. The stylish casitas redefine a house on the beach as one-bedroom apartments with floor to ceiling window walls overlooking the ocean, large living area, wet bar for entertaining, and private pool. Five deluxe double-height Marquis Suites, each with its own pool, and a Presidential Suite are also available.
